Convergência

Número de modos MMI

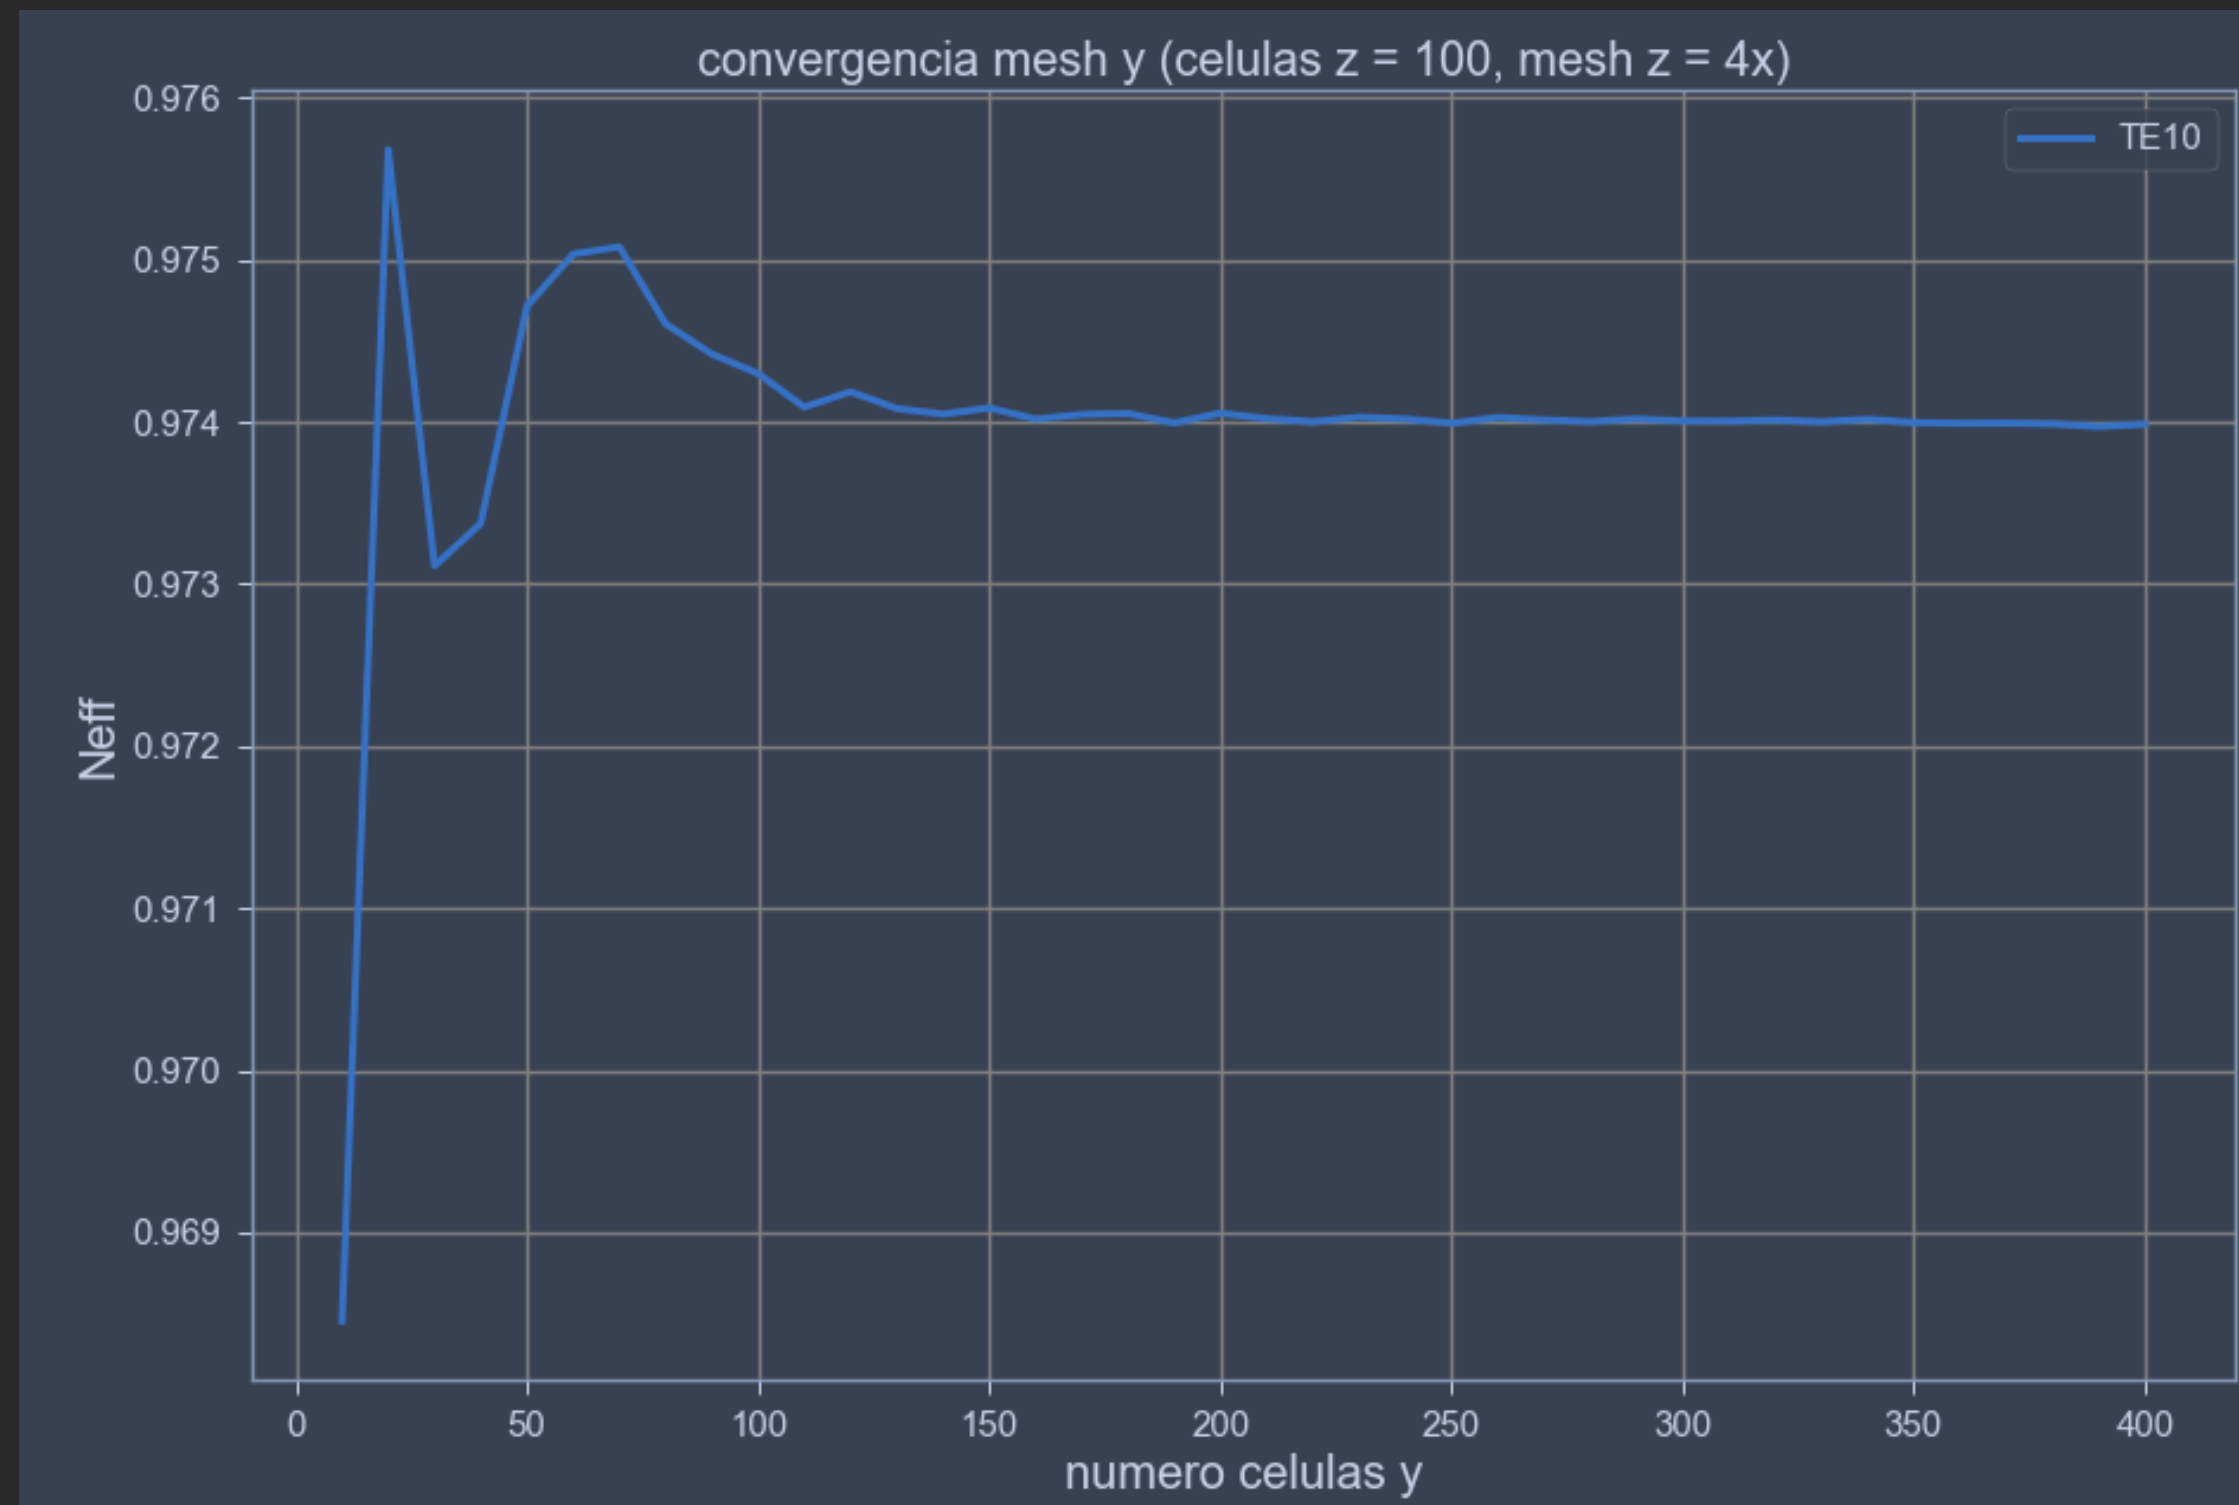

Convergência

Número de células MMI

Convergência

Número de células Tappers

Primeiro Design

MMI sem o uso de tappers

Largura do MMI: 8 μm

Comprimento do MMI: 37.3 μm

Resultados

Resultados

Segundo Design

MMI com tappers

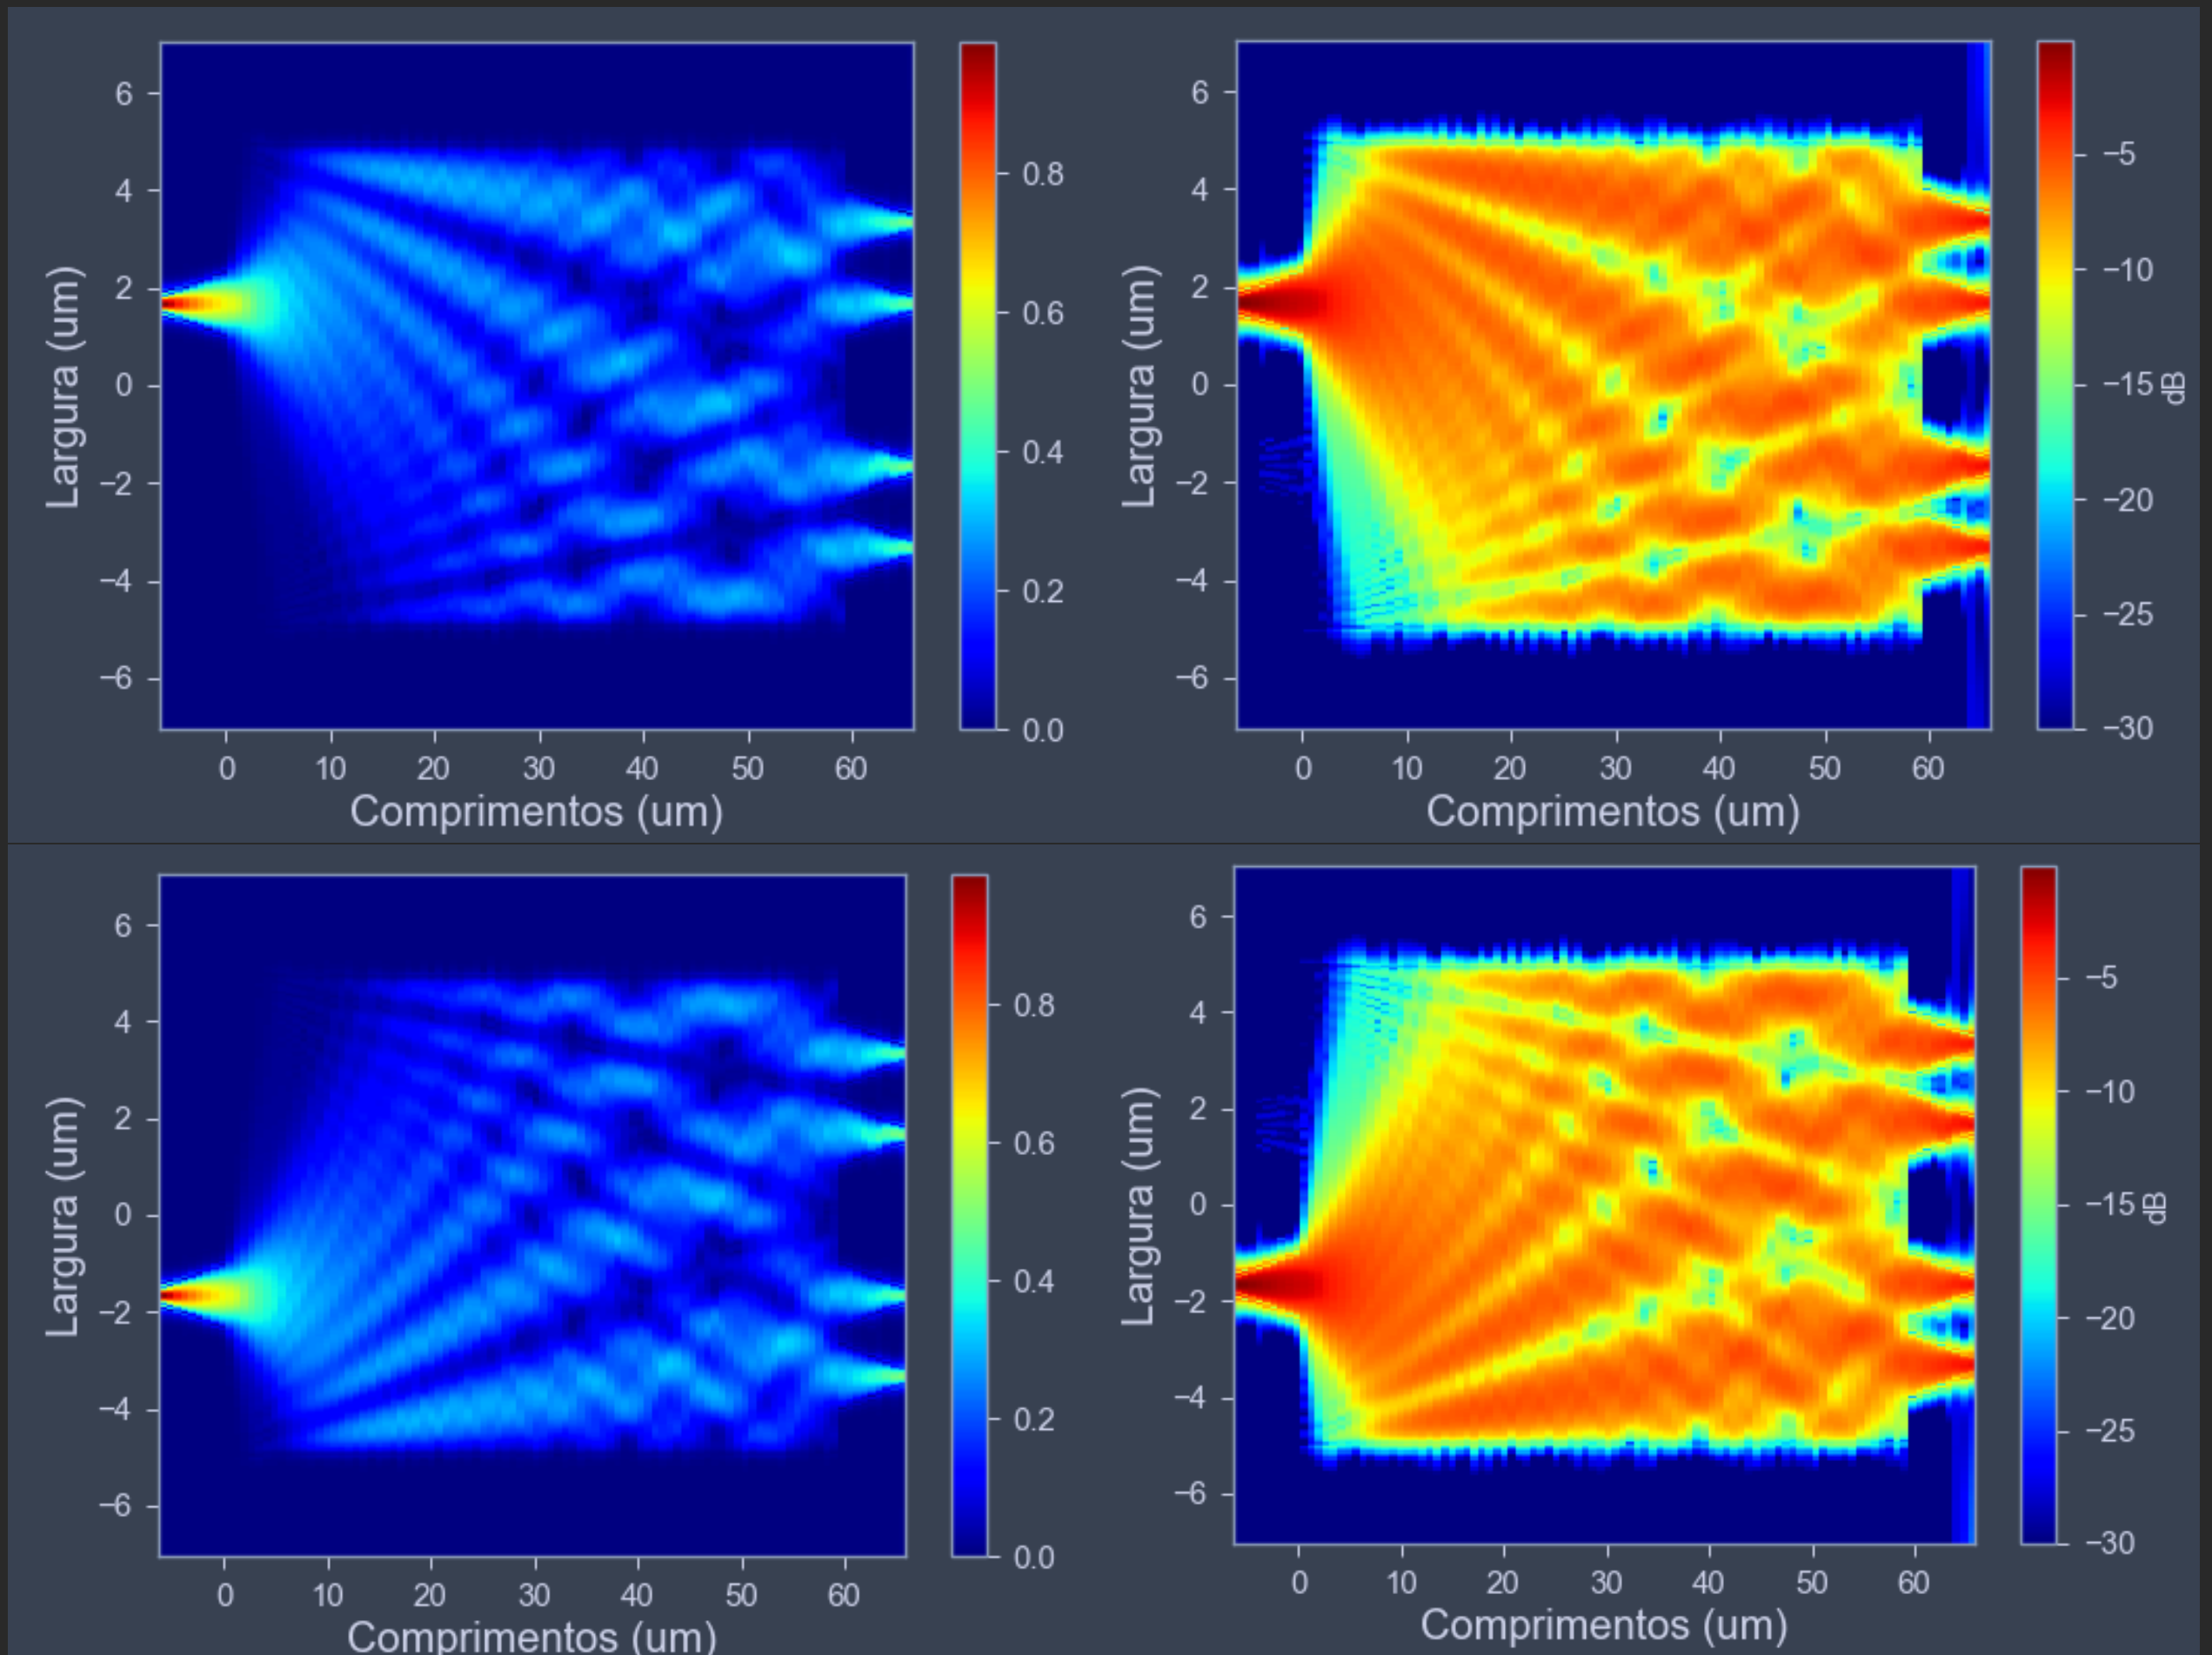

Largura: 8 μm

Comprimento do MMI: 37.3 μm

Espessurados Tappers: 1.3 μm
